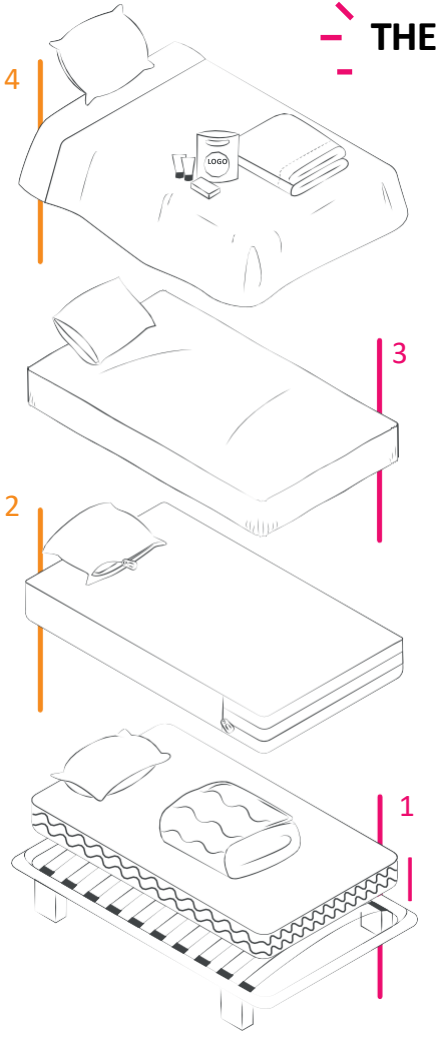
THE « SMART BED » CONCEPT



4 | I OFFER A UNIQUE EXPERIENCE

Through hotel quality bed and bath linens.

3 | I ENSURE PERFECT HYGIENE

Thanks to our Waterproof Fitted Mattress Protectors Confort, save considerable time by eliminating machine washing and reducing your environmental impact!

2 | I PROTECT MY EQUIPMENTS

Thanks to our pillow/mattress protectors and storage covers, extend the lifespan of your bedding ! For example, thanks to the Waterproof Pillow Protectors, no more pillow washing !

1 I EQUIP MY FACILITIES

Mattresses, Bedsprings, Pillows, Duvets…
Invest in your guests' comfort by controlling your budget !
Our Bedding solutions are easy and quick to install for your teams (like the Twin duvet that transforms in the blink of an eye)!

TESTIMONIALS

Frédéric, BW PLUS la rade, ORIGINALS CASSITEL, SURE HOTEL Cœur de Cassis

«In addition to guaranteeing the hygiene of the bedding because they are changed regularly, the zipped pillow protectors ensure a longer lifespan, therefore, to avoid replacing them too quickly. »

Lorraine, SEJOURS & AFFAIRES Apparthôtel Orléans

«I am very satisfied with the Twin Easytex duvets because they save us time. Easy switch from a double room to a twin room. We also save money because we no longer need to buy and store extra duvets.»

Eric, IBIS BUDGET, Saint-Cyr-sur-Mer

«The linen is of high quality and holds up well to washing; the reusable fabric brings me perfect hygiene and ease of replacement for my employees.»

RADISSON BLU, Marne-la-Vallée

«We use the Waterproof Fitted Mattress Protectors and we are very happy with them both in terms of hygiene for the well-being of our customers and for the savings made on cleaning the fabric mattress protectors »

Virginie, MGALLERY, Le domainedes Vanneaux Hôtel Golf & Spa MGallery

«Easytex products allow me to save money while saving time daily; in a word, I would say that it is EASY!»

DISCOVER

We Planet

Ambitious program to reduce our environmental impact.

With our new range resulting from recycling and made in Europe, combine the comfort of your pillows and duvets with respect for the environment !

DID YOU KNOW?

We consume 5 TIMES LESS CO2 to make a 100% recycled polyester quilt* vs. 100% Polyester.

** Example given for a 140x200cm duvet.*

We have carried out an LCA*, allowing us to compare the environmental impact of our Waterproof Fitted Mattress Protectors Confort with its equivalent in washable. Of the 8 impact indicators analyzed, the no-wash scenario is always better for the environment than the washable scenario.

** Life cycle analysis: for more information on the analysis made by RDC Environnement, contact us!!*

Our Waterproof Fitted Mattress Protectors Confort are now packaged in packs of 5, i.e. a 65%* reduction in plastic packaging per box.

** Example given for a box of Waterproof Fitted Mattress Protectors Confort in 80x190+20cm.*
